Subject: RE: One additional Question

Hi Valerie-

It was presented at TSRC, Greensboro, Sept. 8-12, 2001.

Kathy

Subject: One additional Question

Matthias Schorp has what appears to have been an external presentation in ERMS - it's entitled, "Distribution Analysis of Airborne Nicotine Concentrations in Hospitality Venues." Don Leyden is listed as a co-author.

Can you tell me where/when this was presented?

Thanks,
Valerie
